The average book is 10-12 chapters, approx. 10 pages per chapter, and takes 8-10 weeks to develop into a manuscript. Wouldn't it be great if that's all we had to do?

Simultaneously, we will be registering your copyright, building your web page, designing your book cover, and building your brand. Here's what you can expect:

- November: Set up accounts
- December: Submit proposals

- January: Sessions start

- -- Individual sessions
- Feb - May Writing!!!
- Spring Retreat (location TBD)
